

Tree Planting Ceremony—Currently Unavailable

The Arboretum can help you celebrate, commemorate, and remember, with distinctive dedication opportunities throughout The Arboretum landscape. Our staff will help you select a **new tree** in keeping with our Living Collections Policy to be planted in a ceremony. Your gift will cover the cost of The Arboretum **obtaining a tree; the tree planting ceremony; planting the tree and installation of a plaque.** We'll add your personalized dedication to a concrete, or similar, monument affixed with an engraved bronze or similar metal plaque. The intent of The Arboretum is to maintain Tribute Trees for their full life span. However, tree longevity varies with species and environmental conditions. The Arboretum commits to replacing failed trees up to five years from the date the gift is received in full. Thereafter, the dedication shall remain for the natural life of the tree.

Dedicated Tree—\$4,000 Minimum Gift

Find a perfect setting to celebrate, honor, and remember. Along with our staff, you may select an **existing tree** from among our Living Collections to dedicate. Your gift will cover the cost of The Arboretum staff assisting you with tree selection and installation of a plaque. We'll add your personalized dedication to a concrete, or similar, monument affixed with an engraved bronze or similar metal plaque. The intent of The Arboretum is to maintain Tribute Trees for their full life span. However, tree longevity varies with the species and environmental conditions. The Arboretum commits to replacing failed trees up to five years from the date the gift is received in full. Thereafter, the dedication shall remain for the natural life of the tree.

Sponsored Tree—\$1,000 Minimum Gift

An **existing tree** within The Arboretum Living Collections may be sponsored or otherwise 'reserved' by a donor(s) for a **5-year sponsor period.** We'll add your personalized sponsorship to the engraved tree tag identifying the sponsor and the sponsor period. The tree shall be noted as 'sponsored' by the donor(s) in the plant records database to prevent it from being dedicated or sponsored by another donor within the 5-year sponsor period. The guarantee for a sponsored tree lasts five years from the date the gift is received in full.

Upon receipt of your gift, an Arboretum representative will contact you to confirm your designation and assist you in the selection and completion of the tribute. When the tribute is in place, a personalized acknowledgement of your tribute gift will be sent to the recipient of your choice, without reference to the size of the gift.

The Arboretum is proud to be a place where you can celebrate and honor important people and events. Tribute gifts are a special way to remember those individuals who make a difference. Tribute Trees can recognize your family, friends or colleagues; a birthday, wedding anniversary, personal accomplishment or retirement. Your gift is actually three gifts—one to someone you care for, one to future generations and one to the environment. Your Tribute gift supports The Arboretum and its mission to showcase Kentucky landscapes and serve as a resource for environmental and horticultural education, research and conservation.

Your tax-deductible contribution provides important financial support to The Arboretum. To learn more about The Arboretum Tribute Program please contact Molly Davis, Director of The Arboretum, by calling (859) 257-6955 or email at molly.davis1@uky.edu.
