Wednesday, October 23, 10-12

Would you like to have lunch at The Arboretum? Yes No

Does your school have any special needs? _____

Which academic standards can we help you meet? _____

Key Points

- Field Trips are designed for groups with 2-4 classrooms (50-115 students).
- Cost is \$3 per person including students, chaperones and tag-alongs (Check, Visa or Mastercard).
- All outdoor – bring water, hat, sunscreen. We do not have an alternative indoor space.
- Have students bring shoes and clothes which can get wet and muddy. Shoes are required on at all times.
- We ask that you bring at least two adults with each class. Adults will be responsible for leading groups.
- If you plan to have lunch here, students may bring a sack lunch and eat outside of the KCG.
- If the field trip is rained out, we will work with you to reschedule.
